

Colour and Cut Out One-Page Nativity

ALL YOU NEED IS:

- Paper or card
- Scissors
- Sellotape or glue stick
- Coloured pencils, crayons or paints

Remember
to keep your Nativity
scene away from
candles and Christmas
lights!

MAKING THE ONE-PAGE NATIVITY

- Print the page.
- Colour in.
- Fold on the dotted lines.
- Cut on the solid lines shown by the little scissor marks.
- Stick the bottom side flaps underneath the bottom front section.
- Stick a larger piece of card underneath the stable to stop it falling over.
- Wise Man and Shepherd – Cut out, fold the bottom flap under and stick to the front part of the scene.

This makes a good present to post to a friend, as it all folds down flat.
